ALMA MATER

Oh, we love our Alma Mater,
Alma Mater fair and true,
And though we wander far away
We'll often think of you.

From the day we entered high school
To the day we'll say good-bye,
Our memories have gathered
Like clouds in the sky.

Though life be sad or gay,
Our thoughts will always be
Among the friends we knew so very well.
No matter where we roam,
No matter where we stray
Our memories of Madison will stay.

Oh, we love our Alma Mater,
Alma Mater fair and true,
And though we wander far away
We'll often think of you.

THROUGH THE WORLD OF EDUCATION

While traveling through the World of Education in the past years, we have come to learn many things and expand our personalities in many different directions. We have learned how to meet and make friends, how to study and learn, how to work and help others and how to play and enjoy ourselves. In this way we've matured.

Some of us will climax our schooling and become homemakers and businessmen, while others will go on to further their educations. As you travel through this book we hope you will have many pleasant memories, seeing again the Senior Prom, where you danced all night, the band and chorus, which you liked to hear, the sports which you liked to watch and participate in, and your teachers, whom you used to bother but whom you now thank for all their patience and tolerance during your difficult period of growing up.

DEDICATION

As a tribute to his kindness and in recognition and appreciation of his generosity, we the senior class of 1958, wish to dedicate this issue of the Cauldron, to Mr. Grafel. His loyal support of all our activities, his willingness to put our interests before his own, his untiring efforts in directing our junior class play, his sympathetic trustfulness and cooperation and pleasant association have offered us comfort and inspiration throughout our high school days. With gratitude for one whom our class will long remember, we thank you, Mr. Grafel, for your sincere friendship.

MADISON FIRST IN W.R.L. TRACK MEET

Madison's Glen Harvey placed first in the High Jump at the Western Reserve League track meet in 1956. This was only one of the exciting developments in the 1956 track season. At the dual meets with Chardon and Ashtabula Harbor we won and lost respectively. A group of four boys, Chuck Urso, Glen Harvey, Jerry Bernard and Keith Groves honored our team by winning two first places at the dual meets in the 880-yard relay. Others participating in track were Terry Hamilton, Jim Hummel and Ed Moyer. The track team deserves recognition for doing a good job.

BLUESTREAKS SHOW PROMISE

When traveling, a person enjoys recreation such as sporting events. Baseball is an ideal sport for both observation and participation, and Blue Streaks are the favorite of all students here at Madison High. The 1956 season started out fairly well. We won two of the first four games and tied another. Although we lost the tournament to Rittman, we recovered nicely by coming out on top at the next game at Mentor. We won two out of three games with Perry, our top rivals. The end of the season was almost as good as the beginning and we are looking forward to a promising season next year when many of the players return. The team's batting average was .345, showing that our players played well and while they may not have won every game, they applied co-operation and good sportsmanship.

JUNIOR - SENIOR PROM HELD IN SOUTHERN MOONLIT GARDENS

The 1957 Junior-Senior Prom was held at the Madison Country Club on May 18. Dinner was served at 6:30 p.m. followed by dancing in the ballroom. The ballroom was very colorfully decorated carrying through the theme of a Southern moonlit garden. The back drop was an old plantation surrounded by a flower garden with a stone walk running up to the spacious veranda. The garden scene can be found reproduced in full color on the liners.

King Ed Naughton and Queen Nancy Thompson were crowned and reigned over the festive affair. Dancing continued until midnight. From the Country Club we proceeded to the Elk's Club in Painsville for a Post Prom Party sponsored by the P.-T.A. Cleveland Disc Jockey "Big" Wilson served as Master of Ceremonies. Along with "Big" came other fine entertainers. The end of a perfect evening, one which we enjoyed immensely, came with a breakfast at 3:30 a.m., after which we journeyed home, tired but happy.

The moon was winking at us from the ballroom ceiling where it hung midst a shower of stars and gold and white streamers.

GUIDES ON THE ROAD OF EDUCATION

On our travels through education, as on any other journey, we need guides to show us the right paths. Mr. Donaldson and Mr. Barr are our guides. They have tried to direct us along the road of knowledge, giving us a better education and a better way of life.

Freedom is the foundation of our country, and freedom can be attained only through knowledge. Our principal and superintendent may be compared with the Statue of Liberty, for as she holds the torch of liberty, they hold high the bright torch of education, lighting the way to a better future.

Their first thought has been always for our mental welfare and helping us to become better men and women.

We sincerely thank these two men for the help, confidence, and knowledge they have given to us, the leaders of tomorrow.

Mr. Leon Jenkins, Evelyn Miller, Robert Springer, John Henninge, Carl Nicely, Carl Bidlack.

BOARD OF EDUCATION HELPS GET NEW GYM

A much needed and long sought addition to our school has been completed. All of the students at Madison High here express their appreciation to the Board of Education for being instrumental in providing a new gymnasium and its facilities. We are confident that it will continue in the future to aid the students of Madison High School in building stronger, healthier spirit and body.

We of the Senior class have waited four years for this to come about. We are sorry we are not here to enjoy it more. For these and numerous other attainments we extend our thanks to the Madison Board of Education.

SECRETARIES ALWAYS WILLING TO HELP

Throughout the year there is a lot of paper work connected with running an efficient school. With this thought in mind we should stop and remember two very important people who help in the office. The secretaries work hard, but always seem to have a smile for the students who have a problem or a question to ask. Joyce Pastor and Mrs. Roth deserve our thanks for a job well done.

NEW TEACHERS ADDED

This year, our faculty has been enlarged and we would like to welcome all of the new teachers. We hope that they will enjoy it here and that we will be seeing a lot of them in the years to come.

Our new teachers this year are: Miss Shafer, homemaking; Mr. Black, mathematics; Mr. Clark, arithmetic; Mr. Featheringham, commercial; Mr. Martin, Senior High studies; Mr. Webb, Junior High English; Mr. Winne, science. This year, Mr. Stoll has been promoted to full time guidance counselor and I'm sure that we shall all need his advice at one time or another.

TO FACULTY

Without our faculty, we would be at a loss, but with them we are able to find ourselves and succeed in whatever we choose to do. As a graduating class, we now realize what a task it has been for the faculty to get us through high school. But in the years to come, we shall look back to the ones who have greatly influenced our lives. Through their guidance, our lives were molded and our pattern of thought was set.

A salute to the cooks of Madison High, who strive to serve the students of our school the very best in nutritious and delicious food.

Mr. Bob Jopko and Mr. George Bradbury

When we come to school every morning we find a clean school ready for a new day. This happy condition is due to the efforts of the custodians we all know. You will always remember Bob's friendly smile and hello, George's favorite jokes, and Elmer's quiet thoughtfulness.

The bus drivers of Madison High School, are courteous, kind and safety-conscious. They provide safe transportation for us to and from school and school activities.

P.T.A. OFFERS SCHOLARSHIP --

The Madison High P.T.A. has always worked to aid the school, parents, and students to better relationships and provides financial aid when it can. A yearly gift to our library fund gives us the latest books and helps the collection. The senior classes long remember the Post-Prom Party which the P.T.A. provides every year as a last big party together. But there is one aid which few know of or use.

A scholarship fund is maintained by the group and money can be obtained by the students in need of money for college. The money that one obtains from this fund does not need to be repaid until the student is out of college six years. Interest is charged from this time on. If you are in need of this aid, see the P.T.A. and they will be happy to do all they can for you.

SENIOR YEAR SPECIAL

As we entered our senior year, we wondered what made it so special. We gained no prestige or respect or any of the things we thought we would have as seniors. It had the sameness of any year except for the fact that we would be leaving a way of life. We were gaining our freedom whether we wanted it or not. Although it would be an end to twelve years of togetherness, it would be the beginning of a new, adventuresome way of life, because we would be on our own. From now on there would be few guideposts.

We have come a long way following our guides—our teachers, advisers, and senior classes. They guided us to knowledge; it was up to us to make it our own. In our class projects we have had reasonable success. We hope that in the following years, other senior classes will have as much success as ours has had.

FRESHMAN YEAR INTERESTING

The freshman year is one of the more interesting years. This is the year they are included in most of the high school club activities. They begin to choose most of their subjects and sponsor fund-raising activities, such as dances, which enable them to give the long-awaited Junior-Senior Prom.

The Queen and her court.
Below right; Kathy in her dream world.

MAYHEW QUEEN

The Junior High Homecoming was held on Wednesday November 27, 1957 and sponsored by the Freshman Class of "61." The cafeteria was decorated in streamers of pink, lavender, and white, meeting over the queen's throne. Silver and gold stars added to the beauty. At the magic hour of 8:30 our queen, Miss Kathy Mayhew, with her escort, John Bukky, entered. Preceding were her attendants with their escorts respectively: Miss Linda Jakse, Leonard Izzarelli; Miss Linda Vunervink, Jeffery Cimeno; Miss Janice Bernard and Lee Warren. The four attendants received wrist corsages of pink carnations. The Queen received a corsage of white carnations and a rhinestone tiara for her night as "1957 Junior High Homecoming Queen."

"MEN ARE LIKE STREETCARS"

The new experience of presenting a play proved successful for the Junior Class as "Men Are Like Streetcars" was enjoyed by the audience on the night of November 22. Mr. Andrews, the director, and members of the cast are the only ones aware of the work, mixed with pleasure, that actually went into making it a success.

Rehearsals weren't very encouraging but ended in fun as the cast flocked into Isaly's at 9:15 every night. Mrs. Buchner, "Bless her heart," put up with everyone's impatient orders and boisterous laughter. To her a complimentary ticket was awarded as "thanks" for allowing them to return night after night.

It has been said that the new dance sensation, the Stroll, was the biggest achievement resulting from play rehearsals. While not on stage, members of the cast gathered in the halls to experiment with various dances such as the Stroll and the Circle dance.

Early rehearsals were interrupted as the flu epidemic was experienced at Madison High. As dress rehearsal drew near, Lysbeth had to be temporarily replaced by Bev Eager, but did return in time for the actual performance. Aside from these incidents, Chi's problem of working up a quick dance step, Davy's discouragement when trying to convincingly apologize to his girl, and Maudie's overworked backside, were the only unfortunate experiences. Julie continually added to the entertainment of director and cast with her crazy ad libs.

EIGHTH GRADE MORE DEMANDING

As the students pass into the eighth grade, they have begun to get used to the high school life. They are taking part in more of the activities of the school. This year they get to know their teachers better and find their subjects more interesting and demanding more time in preparation.

OUR JOURNEY BEGINS

The seventh graders are now starting the long path through high school. There will be many joys and likewise disappointments for them. Friendships will be made that will endure many years. They will sometimes stumble, as we, too, have done, but we hope they will always rise to the occasion, and try again. We wish them enjoyment throughout the coming years.

CLUBS AND ORGANIZATIONS PLAY THEIR PART

Throughout the school year we have all enjoyed the convenience of having many good and constructive clubs to participate in. The purposes of these clubs is to promote better citizenship and a well-rounded personality.

Some of these clubs make us strive for higher scholarship and more leadership in our class rooms.

A club that strives for leadership is the Student Council, which tries to promote an interest in the American type of government.

Another excellent club which strives for more interest in studies is the Scholarship Club, which requires a student to have a 3.1 average.

Without these activities the school year would lack an important factor in the complete development and education of the pupil. We sincerely hope that the students just entering high school will appreciate and take an active interest in these well organized clubs and activities.

First Row, Left to Right: Mr. Quiggle, Gaytha Gutshall, Peggy Podgurski, Linda Jakse, Joe Davis, Martha Elliott, Steve Davis, Noreen Paik, Joanne Jenkins, Ruth Hummel, Carol Jacobson. **Second Row, Left to Right:** Tony Zubec, Tom Coss, Jim Frink, Lilly Vogrig, John Bukky, Jim Schafer, Teddy McCormac.

STUDENT COUNCIL PROMOTES RELATIONSHIPS

Student Council is an organization for the participation of students in government. The purpose of the Student Council is to promote the best student-teacher relationship, to develop a loyalty to Madison Memorial High School, to promote growth in leadership and education in democracy, and to improve the general welfare of the school.

The Student Council consists of representatives of each class, elected by the members of the class. The officers are elected at large by the whole school in elections held in the spring.

The Student Council has numerous duties, some of which are to aid in the maintenance and building of respect for school property, to encourage and guide the extra-curricular program of the school, to build standard and fashions for student thinking and behavior, and to approve the various class and organization activities, to elect and sponsor the cheerleaders. To aid in carrying out these duties, various committees are appointed at the beginning of the school year to study ways to make new ideas work.

The Student Council provides a good opportunity to teach students the skills of citizenship in a democracy.

The Student Council sponsored several projects during the year, such as dances and an improved student code.

Row One: Pat Jamison, Phyllis Leet, Barbara Dyer, Linda Berwaldt, Barbara Hupertz, Barbara Wilson, May Williams, Nancy Bodle. *Row Two:* Mary Stevens, Dianne La-Munyan, Pat Yuill, Margeret Brotzman, Corrine Carr, Yona Heiyie, Susan Postman. *Row Three:* Linda Vunderink, Barbara Benedict, Maren Smidt, Dianne Gress, Connie Cudyilo, Mildred Elliott, Barbara Prince.

NEW CLUB ADDED TO LIST

This year something new was added in the line of clubs and organizations, the Future Nurses of America. The club adviser is Mrs. Fairbairn, the school nurse. This club is to interest the girls further in taking up nursing as a career.

The club is an active one and helps in the school clinic. Each Future Nurse has at least one clinic assignment and is duty bound to keep that assignment. The meetings are held on the first and third Monday of each month at which the girls are taught some of the basic fundamentals of nursing.

At various times throughout the year, the members have been invited to attend lectures and "open house" of some nearby nursing schools. The club is a non-profit group and its only interest is to create an interest in a career in nursing.

In classes such as this a future nurse gets much of the background needed in the years to follow.

Row One, Left to Right: Dianne LaMunyan, Paul Hasse, Wayne Neely, Janice Whipple, Betty Motchan, Jo Anne Jenkins, Carol Jacobson, Doris Myers, Roberta Bush, Nancy Bodle, Linda Jakse, Janice Bernard, Kathy Mayhew. *Row Two, Left to Right:* Larry Cermak, Sandra Huetter, Farrell Gallagher, Mary Lou Postman, Delores Kozlevcar, Jackie Mlaker, Phyllis Leet, Eileen Nixon, Gay Gutshall, Shirley Montgomery, Zona Heise, Amy Braski. *Row Three, Left to Right:* Bonnie Cone, Martha Elliott, Pat McElwee, Jon Eckert, Eileen Elliott, Lenore Lasko, Lilly Vogrig, Sandra Felix. *Row Four, Left to Right:* Kristen Whipple, Ted McCormick, Anne Brown, Sue Spaller, Dave Rudolph, Bob Bush, Jeff Cemino, Tom Coss, Ann Lowry, Tom Beall.

TOP SCHOLARSHIP HELD BY THESE

The Scholarship Club is composed of the high school's top students. The purpose of the club is to create an enthusiasm for scholarship and to encourage the development of character in pupils of Madison High. Anyone having an average of 3.1 is eligible for the club.

Our club is also a member of the Lake County Scholarship Club. A member from our club is now serving as the 2nd Vice President of the county association. Each year the clubs rotate the official positions.

The Scholarship Club is a worthy organization necessary for encouragement of better students.

CAMERA CLUB STARTS

This year Mr. Winne started a camera club for those interested in improving their pictures. Students are hearing from the club in the form of a photo contest which has a $300.00 prize offered to the best picture.
Row One: Christine Peer, Frances Williams, Nancy Balla. *Row Two:* Mr. Winne, John Greene, Bob Merchant, Dick Bauer, Mikel Shefty, Bob Morgan, Wayne Neely.

First Row, Left to Right: Nancy Bodle, Mary Stevens, Mary Lois Heddermen, Sandra Krauter, Janet Bezdek, James Hedjuk. **Second Row, Left to Right:** Shirley Montgomery, Karen Cz, Mary Lou Postman, Zona Heise, Roberta Bush, Dorothy Hudson.

THEY WATCH THE BOOKS

Any books overdue? You can't keep this a secret from these sharp librarians. Since the new library opened, the number of books has grown greatly. The librarians can now cheerfully get any book you need for your studies and your pleasure. We hope that this growth will not stop, but will be a continuing thing. Thus build a rich store of usable knowledge for the students of this school.

SAFETY PATROL SMALL-ESSENTIAL

This is a small but an essential group. Their most important job is directing traffic at football and basketball games. Safety is an important factor of the school and of the student body.

First Row: Freddie Malcolm. **Second Row, Left to Right:** Mike Behm, John Kuhn, Maurice Riedel, Curtis Redecher, Richard Zupancic.

Row One: Larry Cermak, Tony Zubec, Herb Wheatly, Farrell Gallagher, Joel Kleingbeil, Jon Ekert. *Row Two:* Richard Pavcek, Nathan Rogers, Steve Davis, Crist Wolfe, Tom Beall, Roy Golic. *Row Three:* Doug Rist, Bob Bush, Jim Frink, Dick Carl, Bill Springer. *Row Four:* Clifford Vandervort, Les Jersey, Charles Urso, Keith Marty, Dave Rudolph.

KEY CLUB KIWANIS SPONSORED

The Key Club is a Kiwanis sponsored organization composed of high school youth. It has grown to become one of the most important youth organizations in America. The "Key" boys from the 10th, 11th, and 12th grades make up Key Club, and it is an honor to be chosen as a member.

A few of the objects of Key Club are to develop initiative and leadership, to serve the school and community, to cooperate with the school principal, and to prepare for useful citizenship.

Although Key Club is similar to other high school organizations, it is uniquely different in that every Key Club is sponsored by a local Kiwanis Club which is composed of the leading business and professional men of the community.

A few of the annual projects in the club are the Father-Son Banquet, the Inter-class Tournaments, and the Key Club Talent Show. It serves the school by taking projects like planning programs for P.T.A., and school assemblies, campaigning for school levies and bond issues by broadcasting throughout the township and putting up posters, plus many other small, but important projects.

The officers of this year's Key Club are President, Herb Wheatley; Vice President, Farrell Gallagher; Secretary, Joel Klingbeil; and Treasurer, Jon Eckert. Also serving on the Board of Directors are Jim Frink, Charles Urso, and Bob Bush. The club's adviser is Mr. Matuscak.

Row One: Mr. Winton, Ed Moyer, Farrell Galagher, Bill Springer, Tom Cross, Steve Davis. *Row Two:* Jon Eckert, Dick Hart, Ray Leitch, Terry Hambilton, Joe Biscotti, Jarry Huperty. *Row Three:* John Bukky, Dennis Bodak, Jim Hummel, Ray Bodak, Roy Golic, Glen Harvey.

VARSITY CLUB

The varsity club member must earn a letter in a sport to qualify for membership. Although the club has no officers, it has a set of rules and meets at various times. To receive a letter is an honor and the boys are proud to belong to this organization. They are required to wear their letters on Friday of each week and failure to do so results in a fine. This honorary club is important to the recognition of achievement in sports.

Row One: Frances Williams, Judy Zakrajsek, Marylou Postman, Pat Watkiss, Donna Warner, Martha Elliott. *Row Two:* Ruth Bugbee, Kay Rohrbaugh, Carol Titman, Barb Wilson, Judy Watkins, Joyce Zakareckis, Nancy Balla. *Row Three:* Barbara Clark, Gay Gutshall, Pauline Ludt, Sandra Hampson, Judy Grapatin, Carol Toth, Barbara Steipe. *Row Four:* Peggy Brickford, Brenda McCrosby, Cynthia Lister, Anne Brown, Dorothy Sudbrack, Martha Buchanan, Sue Spaller, Pat McElwee, Ann Lowry.

"PURE THOUGHTS, PURE WORDS, PURE ACTIONS"

"Pure thoughts, pure words, pure actions" is the motto of the Tri-Hi-Y.

This year this all girl service club plans to collect clothing for World Clothing Week, to pack Christmas baskets for the poor, to have the annual Mother-Daughter Banquet, and to "adopt" a little girl in some foreign country.

The officers who have planned this year's activities are: President, Mary Lou Postman; Vice President, Mae Williams; Secretary, Judie Zakrajsek; Treasurer, Pat Watkiss; Chaplain, Donna Warner; and the Executive Board, which is made up of the officers, plus Martha Elliott. The advisers are Mrs. Hempel and Mrs. DeLong.

Left to Right: Donna Sesler, Carla Stier, Kay Rohrbaugh, Joyce Schlevenski, Pauline Ludt, Connie Cudzilo, Carolyn Lane, Christ Wolfe, Anne Brown, Mr. Heichel, Peggy Brichford, Gaytha Gutshall, Donna Warner, Marion Feeney, Eileen Elliott.

CAULDRON STAFF STRIVES TO GIVE YOU THE BEST

This group of students composes the staff that put out the 1958 Cauldron. It was up to this group to edit and circulate the year book.

The editor, Anne Brown; advisor, Mr. Heichel; and staff slaved over the hot Cauldron and scurried to meet the deadlines. It is hoped by all the staff that you get as much enjoyment out of the book as we did when we put it together.

F.T.A. HELPS SECURE TEACHERS

At the present time, the major objective of the F.T.A. is to secure an adequate and continuing supply of effective classroom teachers for our schools. The program is aimed at orienting high school students to the teaching profession and guiding and counseling with them to help them evaluate themselves in relation to teaching as a career. We are very fortunate in having one of the most active F.T.A.'s in this area. Whether an adequate supply of good teachers will be forthcoming in the future will depend to a large degree on how effectively the F.T.A. clubs are organized and operated. The club has received considerable help from its adviser, Mr. Stoll, and thanks to him it has developed into the fine organization we have today.

Row One: Dolores Kozlevcar, Peggy Podgurski, Roberta Bush, Gay Gutshall, Carol Titman, Judy Watkins, Carol Toth, Doris Myers, Carol Jacobson, Betty Motchan, Frances Cinco, Joanne Jenkins, Mr. Stoll. *Row Two:* Sandra Krauter, Jackie Malaker, Phyllis Leet, Donna Sesler, Carla Stier, Mary Lou Postman, Judy Grapatin, Marie Gaster, Marylois Hedderman, Janet Beydick. *Row Three:* Brenda McCorsky, Roy Golic, Bonnie Cone, Luanna Behm, Jon Eckert, Marjorie Elliott, Tony Zubek, Mary Maynard, Janice Whipple, Martha Buchanan, Joe Schlevenski, Martha Elliott, Dick Carl, Pat McElwee, Carol Podgurski, Sue Spaller.

FIVE GO TO BOY-GIRL STATE

This group of students was selected in their junior year to represent our school in Columbus. The purpose of this convention was to show these students the system we use in state government. While these students were there they set up a mock government and actually took part in operating this government. This experience was one way to show them the government's operation and at the same time promote an interest in being better citizens.

Left to Right: Gaytha Gutshall, Ann Lowery, Tom Coss, Farrell Gallagher, Steve Davis.

First Row, Left to Right: Mary Lou Postman, Gaytha Gutshall. **Last Row, Left to Right:** Jim Frink, Tom Coss, Farrell Gallagher, Steve Davis.

SIX STUDENTS MAKE NATIONAL HONOR SOCIETY

The National Honor Society is set up for the purpose of giving rightful recognition to students that have shown leadership, scholastic ability and all-around interest in the school and student body.

These students are able to take leadership upon their shoulders when called upon, and will carry it out to the best of their ability. We wish them the best in their future life.

Row One: Roberta Bush, Linda Jakse, Pauline Ludt, Marylois Hedderman, Joyce Zakarickis, Norman Cantarae, Joan Hummel, Ruth Bugbee, Doris Myers, Joe Schlevenski, Bob Haden, Joe Davis, Ken Wills, Dick Fisher, Betty Motchan. *Row Two:* Lilly Vogrig, Joan Cantaral, Thelma Harvey, Marylou Postman, Sandra Krauter, Martha Elliott, Mr. Quiggle, Dick Pavcek, Dick Jointer, Robert Will, Bill Throop, Jim Elliott, Nettie Twigger. *Row Three:* Judy Brewster, Marjorie Elliott, Donna Sissler, Pat Jameson, Sanara Felix, Wayne Roper, Pat McElwee, Joel Klingbeil, Clif Vandervort, Bill Springer, Trena Stull, Billie Moore. *Row Four:* Barb Clark, Iona Buttermore, Karen Eckerle, Peggy Brichford, Donna Naughton, Donna Warner, Carla Steir, Barbara Stipe, Ann Lowery, Glenn Harvey, Carl Hemmi, John Postman.

HALLGUARDS CLAMP-DOWN

At the beginning of each year a call goes out for volunteers to fill the many hallguard posts. Their job is to make sure that all students have passes and that they behave well in the halls.

During this past year the hallguards have been told to clamp-down on pupils that have no passes. This even includes the seniors!

The Vice President of Student Council is the head hallguard and helps select the captains for each period. The hallguards' adviser is Mr. Quiggle.

Row One: Linda Dame, Carol Titman, Judy Watkins, Frances Williams, Doris Myers, Carolyn Udell. *Row Two:* Charlotte Winfield, Linda Vunderink, Marie Gaster, Kay Thor, Alice Hummel, Maryanne Gustincic, Bill Curtiss. *Row Three:* Pat Golic, Nancy Coss, Pat Jamison, Mr. Winne, Mr. Matuscak, Marilyn Johnstone.

SERVICE CLUB

The Service Club has contributed to this school a great service. How many of us would want to go to the football games and not find any popcorn, hot dogs, pop, and hot coffee? We especially enjoy the hot coffee on a cold, windy night like the last game with Edgewood.

The members of this club sacrifice their personal enjoyment to give service to the spectators at our football and basketball games.

Anyone in the school can join this club and enjoy serving the school.

LEADING VOCAL GROUP HAS NEW ROBES

The leading vocal group of the school, the Senior Chorus, has grown and taken part in more activities as the years have progressed. The chorus sang at the dedication of the new gym. They also presented an impressive Christmas concert. At graduation, the chorus aided to a large degree in promoting a feeling of impressiveness. When this group presents a program it is always a rich, rewarding event. It is a fine organization and is open to anyone wanting to take choral singing.

You who know the chorus have probably noticed that they have striking new robes. The floor length robes are blue-gray with a dark blue collar.

With this group we introduce the music section. In this section most of the music department will be covered. We shall have a look at the pep band, marching band, the Streaketts, junior chorus, and other musical units of the school.

Pep Band No. 1

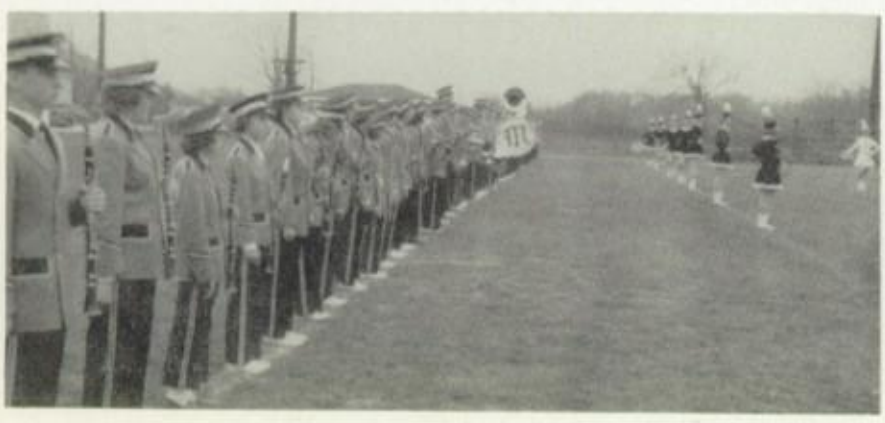
Pep Band No. 2

NOISE SECTION ---

We are grateful at the pep meetings for all the noise from the pep band. They raise the spirit of school, the fighting spirit. Cheering becomes a contest between the band and the rest of the school. It is usually a tie because each can still hear the other.

Our marching band plays for our football games. The game with Edgewood will long be remembered by the band, because a 30-mile-per-hour gale scattered their hats into the snow.

Last year the band won first place at the Fairport Mardi Gras. It appears in numerous parades throughout the year.



Row One: Jon Eckert, Paul Hasse, Elien Nixon, Louanna Behm, Dick Bauer, Amy Braski, Clarinet; Ruth Mull, Marylyn Wiema, Peggy Graffel, Flute; Barb Hummel, Bonnie Cone, Delores Kozlevcar, Phil Blair, Saxophone. *Row Two:* Linda Bezdek, Kathy Mayhew, Joan Baker, Ted McCormic, Elaine Kozlevcar, Connie Michaelson, Clarinets; Pat Yuill, Roberta Baltz, French Horn; Barbara Benedict, Baritone; Martha Buchanan, Virginia Roth, Oboe; Kay Thor, Larry Cermac, Bass Clarinet; Tim Square, Jeff Slamenio, Gus Carl, Trombone. *Row Three:* Lyn Cone, Paula Miles, Corrine Carr, Janice Bernard, Clarinet; Carol Quirk, Dave McElwee, Nick Square, Janice Wipple, Dave Vanrensselaer, Bob Moll, Danny Scott, Trumpet and Cornet. *Row Four:* Ed Keyse, Bass; Dennis Nealy, Stewart McKintosh, Hazel Grace, Tuba; Tony Zubek, Gus Carl, Percussion; Mr. Girton, *Leader;* Carol Podgurski, Chuck Urso, Percussion.

BEST MAKE CONCERT BAND

The best musicians from the marching band compose the concert band. They are best known for the Spring Concert which they present each year. Under the capable leadership of Mr. Girton they have proven themselves competent in their field.

Left to Right: Kathy Mayhew, Carol Jacobson, Rose Herrick, Martha Buchanan, Patty Guyer, Connie Michelson, Sidney Wentzel, Paula Miles.

STUDENTS PROUD OF MAJORETTES-

Madison High School students are proud of their poised, high-stepping majorettes. Sporting new outfits this year, they led the band with clever maneuvers, making a hit with both the band and the spectators.

Music students are delighted with the exceptionally designed band room, which provides for all the needs of a well organized music program.

Jimmy Hejduk, Piano; Ed Keyse, Bass; Carol Quirk, Trumpet; Jon Eckert, Saxophone; Dave McElwee, Trumpet; Nick Square, Trumpet; Dolores Kozlevcar; Saxophone; Gus Carl, Trombone; Ruth Moll, Singer; Bonnie Cone, Saxophone; Phil Blair, Saxophone; Chuck Urso, Drums.

DANCE BAND STARTED

The Dance Band is a new function of the Music Dept. It will provide live music at a reasonable price for our student dances and for area schools and organizations social functions. At the same time it provides experience for its members.

The Dance Band, the newest addition to the Music Department, adds much zeal and zest to the noon period sock hops.

BLUE STREAKS HAVE ROUGH YEAR --

The Blue Streaks started off the season at Fairport. The performance of many of the players was an indication of what could be expected in the coming season. Farrell Gallagher, team captain, led the team with determination and confidence. Unusual promise was shown by the Freshman quarterback, John Bukky. Ed Moyer, playing for the first time, displayed fine kicking, which helped the team greatly. Glen Harvey, a powerful, aggressive halfback, played with much determination. Also, on defense, Wayne Border showed a fine performance. The final score was 0-20, and although we didn't win, we had played well.

While a group of students cheer the boys on, Mr. Heichel and Mr. Ruland record the game on film in the face of a blizzard. *Below:* The cheerleaders perform here before the snow started and they held out through the storm even when the high winds seemed to blow the cheers away.

The second game of the season was played on Friday, September 20, in the afternoon. From the starting kick-off to the final gun, the game held much excitement. Neither team scored until the third quarter. The Madison touchdown came in the final period when quarterback Glen Harvey tossed a 20-yard aerial to Ray Bodak. Madison earned 10 first downs to Kirtland's nine. The Blue Streaks also offered a top-notch passing offense, completing nine out of 12 attempts. This was our first League competition.

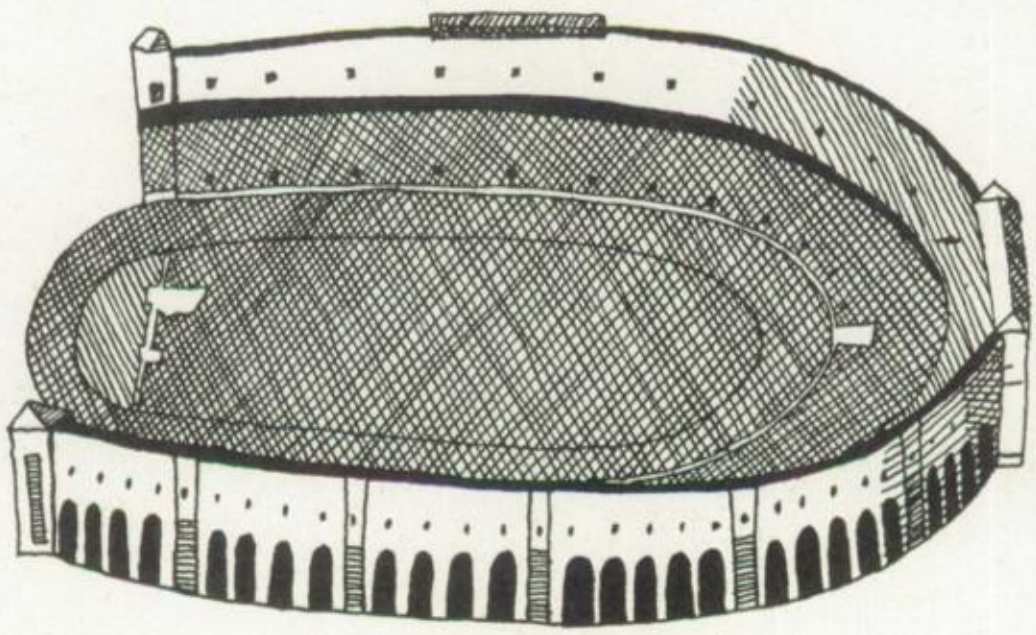
Friday night, September 27, we met Jefferson on their own field. The Blue Streaks tried hard but failed to make it a victory. In the opening part of the third period, the Blue Streaks put their offensive machine into gear and entered the scoring race. The Madison team pushed toward the Falcon goal and made it to the 17 where Glen Harvey took over for the Streaks. The Falcons tightened their defense and held the Blue Streaks to minor gains in the fourth quarter. All in all, the team displayed good tactics and fought well.

October 4, the Blue Streaks met the Spencer Wildcats at Madison. Glen Harvey got off to a flying start by recovering his own kick for a touchdown. Deceptive quarterback, John Bukky displayed good tactics. Ray Bodak, an end, was outstanding in passing while Steve Davis showed some very fine broken-field running for two touchdowns. Farrell Gallagher, a fullback, made some important tackles and displayed much power. Victory was ours with a score of 47-20.

Harvey is stopped by a host of Edgewood players.

Row One: D. Bodak, *Captain* F. Gallagher, J. Carl. *Row Two:* E. Moyer, D. Hart, R. Golic, D. Bodak, Coach Hribar, Coach Pethel, S. Davis, B. Both, J. Eckert, D. Carl. *Row Three:* R. Gaster, J. Biscotti, J. Bukky, R. Leitch, T. Hampleton, R. Parziale, W. Border, B. Gered.

A future dream of our players is to play in this famous Ohio stadium.



October 11, we met the Chardon Hilltoppers on our home field. In the initial quarter, neither team was able to break the ice in the scoring column, as both defenses held firmly. In the second period, the Blue Streaks rallied, minutes after a Chardon touchdown, when the passing of Glen Harvey thrust the Madison team into scoring position. Harvey then lugged the ball over the goal line himself from 10 yards away for the Madison score. This was our Homecoming Game and the crowning of the queen added to the festivities of the half-time activities.

October 18 found Madison meeting the Ashtabula Harbor Mariners on their field. Flu plagued Madison could do little with the hard charging Mariners. They fell victim to several Harbor touchdowns in the first three quarters. In the final stanza both schools used reserves and neither team threatened although Madison very determinedly drove to the Mariner 20-yard line in one series of plays.

We met the Edgewood Bulldogs at Madison on October 24. Touchdowns were made by Glen Harvey and Farrell Gallagher, Madison's best defensive efforts. Dennis Bodak showed strength in holding up the middle of Madison's line. Due to his boxing prowess, he displayed quickness and alertness. Along with the senior players, the whole team co-operated for a rousing victory.

The last game of the season was played at Perry where we met our old rivals, the Perry Pirates. The first period was close and the Blue Streaks almost prevented the Pirates from scoring. In the third stanza Madison attempted to break through the Pirate's defensive wall. The Blue Streaks notched two first downs in succession with the bull-like runs of Glen Harvey. Scoring attempts failed, however, and we fell losers, meaning that we had to relinquish the Little Brown Jug.

Tacklers close in on Harvey as Dick Hart attempts to intercept them.

SENIOR PLAYERS Steve, Dennis, and Captain Farrell Gallagher discuss the previous season.

Edgewood Bulldogs bring down Harvey as he attempts to score.

Lowry stands by for rebound as Harvey's shot is blocked by Geneva, Spencer's defensive rebounder.

BASKETBALL TEAM WINS 9, DROPS 5, IN LEAGUE PLAY

Basketball proved to be more interesting this year because we were able to use our new gymnasium. Height, the factor about which modern basketball revolves, greatly aided the Blue Streaks in their successful season. They also relied on accuracy in passing and shooting to gain victories.

The Blue Streaks opened the 1957-58 basketball season with a 52-50 victory over Riverside. Glenn Harvey led the team effort in scoring and rebounding.

The Jefferson Falcons played host to our Madison Blue Streaks for our first league win of the season. Harvey and Lowry paved the way to our well played, but squeeky victory with 13 and 14 points respectively. This tall twosome also controlled the backboards.

Our boys literally blasted Kirtland, 49-38, for our team's second straight conference win. The Blue Streak's scoring parade was led by Lowry with 17 points. He also teamed up with Harvey to lead in rebounding.

Row One: Dave Rudolph, Bob Bush, Ed Moyer, Farrell Gallagher, John Bukky, Larry Cermak. *Row Two:* Tom Coss, Glen Harvey, Tom Lowry, Coach Winton, Les Jersey, Ray Bodak, Bill Springer.

Perry suffered her 3rd defeat of the season at the hands of our lanky team. The 38-22 victory was sparked by Tom Coss who led our team in scoring with 13 points. Rebound honors went to Tom Lowry who snagged 13. Our team set a new league defensive record when we held Perry to 2 points in the 4th quarter.

Although it was only a temporary honor, our Madison quintet took possession of first place in the league when we defeated Edgewood 75-47. Lowry netted 13 goals and 4 free tosses for 30 points. Not far behind him was Harvey with 19. Edgewood was ahead in the first quarter 11-4, but our boys rallied in the second and managed to score 71 points in the remaining 3 quarters.

Our team suffered its first defeat in six starts when it bowed to the Mariners 49-35. Even though Glen Harvey held Harbor's Davidson to 11 points, our opponents edged us out by 14 markers.

Spencer proved too much for us when they racked up 39 points to our 27. Our boys fought hard but weren't able to upset the Spencer quintet. Lowry led Madison's scoring with 19 points.

The Madison Alumni received quite a surprise when our Blue Streaks overpowered their quintet 60-30. 53 of our 60 points in this fast moving game were made by the combination of Bukky, Coss, Harvey, and Lowry.

Hats off to the varsity cheerleaders for their greatly appreciated participation at the basketball games. Vitality and pep were shown by all six of the girls as they cheered the team onward.

A rough physical contest can best describe Madison's non-league loss to the Mentor Cardinals. Twenty of our 46 points in the 60-46 score were made by Glen Harvey who led the scoring parade while playing with a wrenched back.

The Blue Streaks lost their third straight league game to Chardon 47-44. After 3 periods of a cold shooting spell, Gallagher sparked the team to a fourth period rally. However, this was not enough to overcome the Hilltoppers. Lowry was high in both rebounds and scoring.

The students congratulate the Reserve cheerleaders on the fine cheering that was displayed at each of the Reserve games. We wish them the best of luck in future cheering activities.

The Blue Streaks met Harbor for a second hard fought contest. Coss and Bukky played a good defensive game and Harvey was hot from the floor in the 3rd period, but this was not enough to overcome the deficit. Lowry was high in both points and rebounds with 17 and 23 respectively.

*Non League game.

Madison broke their four game losing streak when they edged Jefferson 51-50 in the most exciting game of the season. John Bukky displayed some excellent floor play in the game. Lowry led the scoring with 22 points.

Making 40 per cent of their shots from the floor, our Madison quintet scored 74 points to Kirtland's 65 in our second meeting with the Hornets this season. Tom Lowry snagged 31 points to take scoring honors for the night. Pulling 51 rebounds from the backboards was the combination of Coss, Harvey, and Lowry.

Perry suffered her second defeat at the hands of Madison when the Blue Streaks blasted them 87-53. Together Coss and Lowry scored 56 points while breaking the school scoring record of 81 points. Tearing 32 rebounds from the backboards, Tom Lowry came within 1 point of Madison's individual scoring record, 33 points.

Edgewood's controlled ball game backfired, and for the second time this year, the Blue Streaks overpowered the Bulldogs. Twenty of Madison's 54 points in the 54-33 score were made by Glen Harvey who also led in rebounds.

Madison suffered another non-league loss to Ashtabula St. John. Suffering a cold spell in the 3rd period, the Blue Streaks watched St. John pull away for a 66-51 win. Lowry was high point man with 21.

Bukky and Lowry up for the rebound as Coss and Moyer wait expectantly.

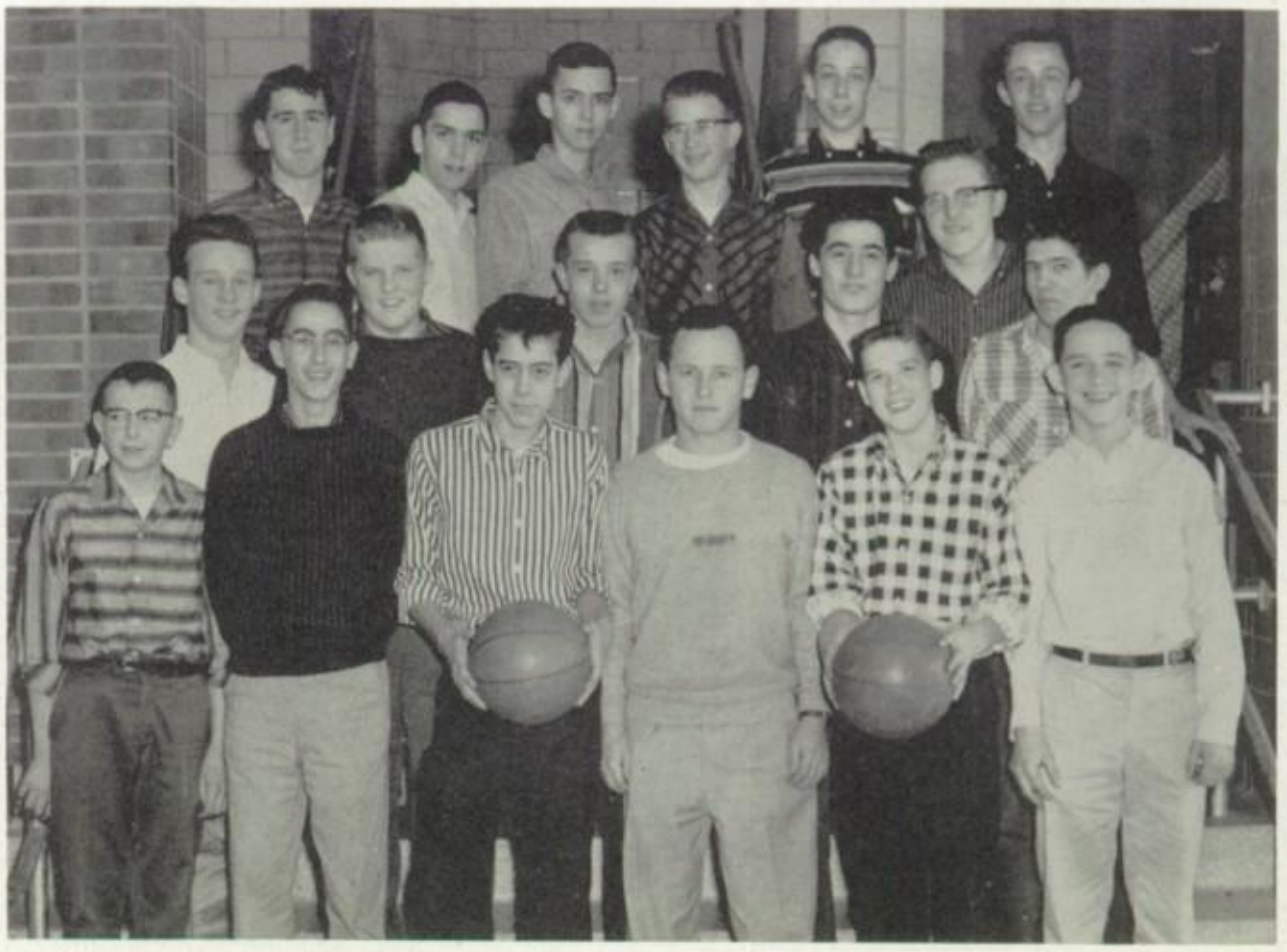
The Spencer Wildcats clinched the league title when they overpowered our team for the second time this year. The Blue Streaks fought hard, but Spencer continued to maintain a lead. The final score was 57-44. Madison's John Bukky and Spencer's Pepin both hit 100 per cent on foul shots.

The Blue Streaks won the last league game of the season when they routed the Chardon Hilltoppers 68-55. This victory tied Madison and Jefferson for 3rd place in the league. The scoring was evenly distributed. The Lowry, Harvey, Moyer, and Bukky combination racked up a total of 62 points. Coss tallied the remaining six points. Harvey and Lowry controlled the backboards.

Hambleton gets tip-off at the start of the game.

RESERVES TRY HARD

Madison's reserves won only one of the 18 games played. With the students behind them, they fought hard but weren't quite able to edge past their opponents. These losses can be chalked up to experience however, and we all wish them the best of luck next year.



Row One: Curt Redecker, Ronny Bernard, Bob Myers, Coach Pethel, Damon Asbury, John Wheatly. *Row Two:* Ted McCormick, Tom Beal, Tom Brewster, Joe Biscotti, Ed Bond, Gene Cone. *Row Three:* Ray Leitch, Bob Bush, Keith Marty, John Billington, Dave Rudolph, Terry Hambleton.

Row One: Steve Danyi, Rich Zupancic, Bert Bork, Larry Hunter, Dick Leet. *Row Two:* Ralph Hart, Jon Kun, Garry Bauer, James Spague, Jerry Sherman. *Row Three:* Mr. Clark, Harry Rymer, Larry Gerred, Art Sham, Bill Lane, Mike Mattews. *Row Four:* Barry Carrol, Mike Behm, Lloyd Tisi, Dave Kalinsky, Larry Hasse, Dave Bond.

JUNIOR HIGH BALL SHOWS ABILITIES --

The Madison Junior Blue Streaks encountered Perry twice and Riverside once. In these games Bill Lane displayed good tactics as a quarterback. Steve Danyi showed good running prowess, and Art Shanan in the game with Perry ripped through their defences for five or six yards every time he carried the ball. All in all the season was exciting to the players and spectators.

Linda Bukky, Gwen Jenkins, Faith Patrick, Maryanne Gustincic, Linda Dame, led the cheers quite professionally at the Junior High Basketball games.

Row One: Danny Scott, Ralph Hart, Dale Brown, Dave McElwee. *Row Two:* Jerry Hunter, Steve Danyi, Bill Cone, Bill Northcott. *Row Three:* Barry Carroll, Dan Williams, Mr. Martin, Lloyd Tisi, Art Shahan.

VARSITY IN THE MAKING

The first game played by eighth grade was won by J. R. Junior High School. The score at the final quarter was 30-14. Ralph Hart proved to be a valuable man to Madison with his nine points, which made him high point man for the game.

In the next game the Blue Streaks were ahead until the very last minutes. As it ended, Harvey came up with a victory. Madison had almost pulled an upset, but it had been quelled in the final seconds. Harvey barely edged Madison by four points, 31-27.

Madison was victorious over Chardon with a squeeker of 23-22. Madison's successful attack was due to Joe Bodnar and Ralph Hart.

The lop-sided victory for Madison over Perry was shown in the score of 36-10. By this time, Madison's eighth grade had molded themselves into a very fine team in both defence and offence.

The second game with J. R. Williams, Madison pulled an upset over a very highly regarded team. It was their only game this season which had to go into overtime. The final score was 31-27.

The second game with Harvey was a decisive victory for our opponents with 40 points to Madison's nine. Although this did not conclude the season, the accounts of various games show the versatility and skill of the players who have many years of sports to look forward to.

SEVENTH GRADERS PLAY HARD

Even though the seventh grade team was young and inexperienced the boys played the game seriously. The game with Riverside was considered by Coach Mackey to be the best one the boys played. Although they lost this game they played their best offence and defence. The high man for this game was Andy Woidtke. Throughout the season Gary Bauer proved over and over again to be the best all-around player of the team. Jim Rymer was the man that set up and controlled the plays. The other team members likewise did their part in helping to make the season interesting and exciting.

Row One: John Kuhn, Jimmy Cermak, Fred Malcomb, Gary Bauer, Micheal Valeria.
Row Two: Earl McMahon, Jim Rymer, James Knerem, Ron Hagerdon, Dwight Copper.
Row Three: Bob Stubblefield, Carl Graves, James Beall, Dann Wilson, Andy Woidtki, Larry Gerred.

HOMECOMING QUEEN

Miss Noreen Paik, Homecoming Queen of 1957, was presented with a bouquet of Chrysanthemums by her escort, Herb Wheatly, at Hickock Field during half-time of the Madison-Chardon game.

Wrist corsages were presented to the Queen's Court by their escorts: Ann Lowery, Jim Frink; Peg Brichford, Christ Wolf; Norma Cantaral, Nick Biscotti; Connie Cudzilo, Bob Montgomery.

Background music was provided by the school chorus and band for this impressive ceremony.

DANCE HELD UNDER GOLD AND WHITE

Under a setting of gold and white streamers, the 1957 Homecoming Queen, Miss Noreen Paik and her escort, Herb Wheatly, proceeded toward the Royal Chair through an aisle of gold streamers.

The court and the crown bearer, pretty little Kim Boman, followed.

The dance was held in the new gymnasium with music provided by Chet Gorski and his orchestra.

PHYSICAL EDUCATION UNIT DEDICATED

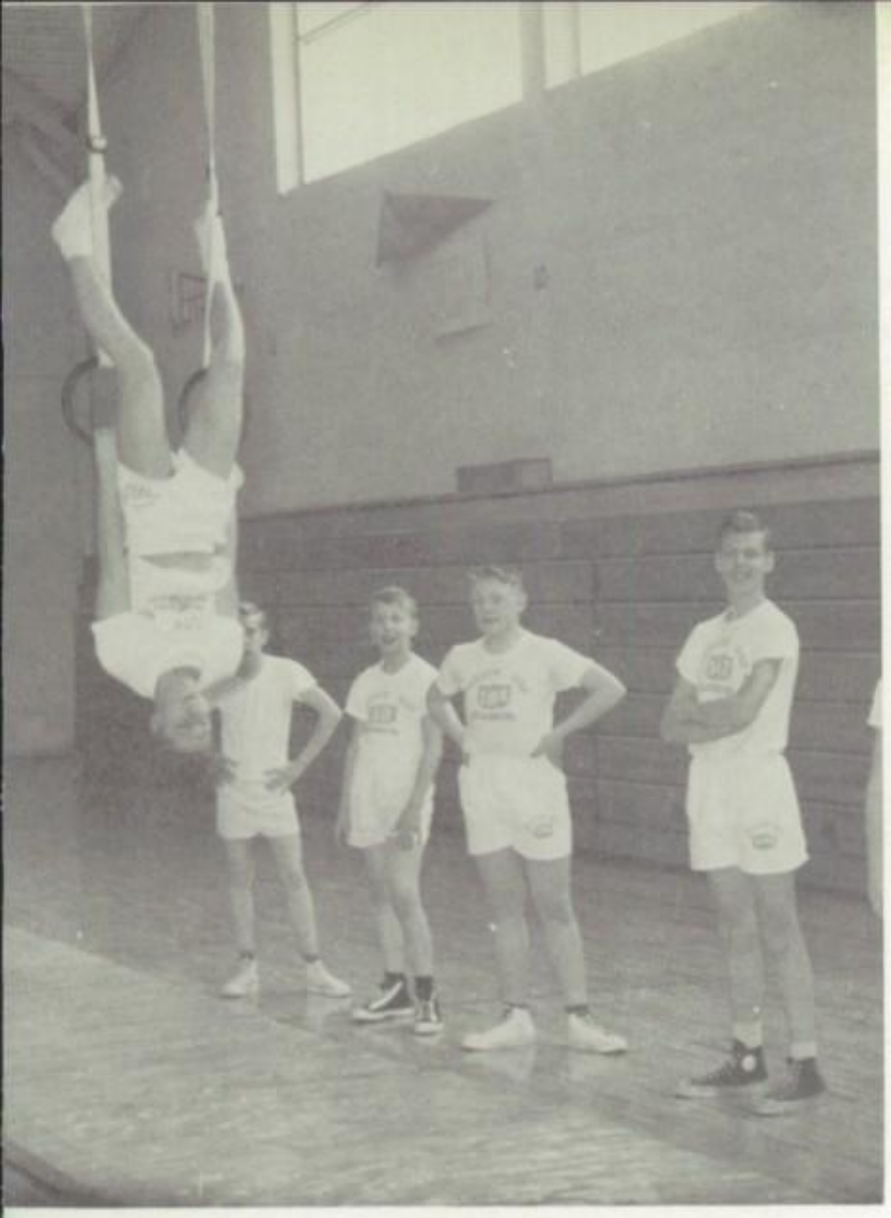
This year the school's newest addition, the physical education unit, was dedicated to the building of bodies and minds of the students. To many of the people this meant only a space for basketball games and sufficient seating for all who might desire to boost the Blue Streaks. But this was only a secondary function of this fine unit. The primary purpose for building such a structure is to aid in developing a student strong in body and mind. When we consider the structure under way and consider its purpose we find many points closely related to this purpose.

The thought of such an addition to our school was long in developing but as the great need became apparent the citizens of Madison rose to meet it. In due course a foundation was laid and the steel skeleton erected. This was now as an undeveloped body for it had form but was of little value until many hours of labor added the finishing walls, roof, and interior units. With all of these things in place the plant was ready to function. As the human body, it had to be developed and for this very reason a physical education unit became a part of life at Madison Memorial High. There is now in operation a well planned physical education program under the able supervision of Mr. Phethel and Mrs. Zell, which provides for both boys and girls the needed program to round out the building of healthy minds and bodies able to cope with the strain of modern life.

New physical education wing.

Girls' gym class engages in basketball game.

In previous sections of this book we saw how the gym functions in the sports field and have herein reviewed its primary function as a physical education unit. But as all students know its function does not end here for Pep Rallies, Noon sock hop dances, and other social functions are a part of the daily life of this fine unit.



IT STILL GROWS

The development of Madison Memorial High does not stop here for as this book goes to press the view below, from the second floor out over the locker room roof, is all but a thing of the past for in its place six new class rooms are being built to handle the ever increasing enrollment of the school. It is the hope of students and administration that the citizens of Madison Local School District will continue to see and provide the needs of an expanding school system as they have done in the past.

THE LESSON

Sometimes when our feet grow weary,
  On the rugged hills of life,
The path stretches long and dreary
  With trial and labor and strife.
We pause in the tiresome journey,
  Looking back over valley and glen,
And sigh with an infinite longing
  To return and begin it again.

But vain indeed is the asking,
  Life's duties press all of us on,
And none may shrink from the labor
  Or sigh for the days that are gone.
For it may not be far ere before us
  Wait fairer places than then;
Life's path may yet lead by still waters,
  Though we can't begin over again.
